Data Collection for National Health Performance Indicators

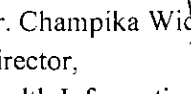

Health Information Unit of the Ministry of Health has taken steps to develop a set of indicators to monitor the performance of Sri Lankan health sector at the national and international level. The indicators are based on 100 core indicators of the World Health Organization. It also includes indicators to monitor SDGs and certain other indicators that are used in the Ministry of Health.

A data collection form has been developed to collect the required data for the indicators of 2016. If the data is not available for 2016, please provide the latest data specially mentioning the year of data. If the figures are arrived using partially collected data, please mention it in the data collection form along with any other relevant information. You are kindly requested to submit the relevant data in the attached format on or before 25th of August 2017 addressed to,

**Director,
Health Information Unit,
Ministry of Health, Nutrition and Indigenous Medicine,
Colombo 10**

Kindly fill the relevant section of the data collection form and send the filled word document to this email address – scwickrama@gmail.com
(Data Collection Word document is available at Ministry of Health website at following link - http://www.health.gov.lk/moh_final/english/others.php?pid=142)

Thank you

Dr. Champika Wickramasinghe
Director,
Health Information,
Ministry of Health, Nutrition and Indigenous Medicine
