Two (2) letters of recommendation (use the designated form)

Your letters of recommendation must be written by faculty members or job supervisors who are familiar with your academic and/or professional abilities. Ideally, one recommendation letter should come from a former professor or academic supervisor.

You are required to obtain the letters from your recommenders using the designated form and submit them. Each of your letters must contain both of the two A4 pages provided. Letters submitted that do not use our designated forms will not be accepted. They must be submitted in sealed, unopened envelopes signed across the flap by the recommender.

Certificate of employment (use the designated form)

You are required to submit this if you are currently employed. New graduates and those not currently employed need not submit this document.

Official transcripts of academic record and graduation/degree certificates

You are advised to show the instructions below to registrars at each of the universities that you attended when you request issuance of transcripts/certificates in accordance with our requirements.

You must submit official transcripts of academic record and graduation/degree certificates from all undergraduate and graduate institutions that you attended/graduated from. These must be documents issued by the university and bearing the seal or signature of the registrar, and they must be submitted in sealed,

unopened envelopes with the university logo and address noted; the envelopes must be signed or stamped across the flap by the issuing school authorities.

- **Official transcripts of academic record**

If you are currently attending a university, please submit your most recent transcript.

- **Official graduation/degree certificates**

Official certificates should state the name of your degree and the date the degree was awarded. Provisional or temporary graduation/degree certificates are not acceptable. DO NOT send your original diploma, as documents will not be returned.

If you are currently attending a university, you must submit an authorized statement certifying the specific date of graduation and the title of the expected degree.

Important notes

- Photocopies of transcripts/certificates that have been verified by a notary public are not acceptable.

- If a university cannot issue an official English version of your transcript/certificate, you are required to submit both:
 - The official transcript/certificate (photocopies are not acceptable), written in its original language and bearing the institution's stamp or the signature of the registrar, and

How to apply for a waiver of the English language proficiency requirement

(There are two categories in our English test exemption policy.)

Category 1: Applicants who have completed or expect to complete an undergraduate or a graduate degree at an accredited institution located in the USA, the UK, Canada, Australia, New Zealand, or Ireland will be automatically exempted from submitting an English test score.

Category 2: Applicants who have completed or expect to complete an undergraduate or a graduate degree at an institution where the language of instruction is English may request a waiver of the English

language proficiency requirement.

If you wish to apply for such a waiver, you must submit official documents issued by the educational institution you attended, certifying that your undergraduate or graduate education was conducted entirely in English. If the official transcript of your academic record or graduation/degree certificate includes that information, you need not submit a separate document.

This document must bear the seal or signature of the registrar, and it must be submitted in a sealed, unopened envelope with the university logo and address noted; the envelope must be signed or stamped across the flap by the issuing school authority.

You are advised to show these instructions to the registrar at the university that you attended when you request issuance of the document in accordance with our requirements.
