**Recommendations for Annual Transfer of Dental Surgeons – 2019 (Stage II)**

With reference to Deputy Director General (Dental Services)s' even numbered letters published on the official web site of the Ministry of Health, Nutrition and Indigenous Medicine on 03<sup>rd</sup> and 13<sup>th</sup> August, 17<sup>th</sup> and 30<sup>th</sup> October, 28<sup>th</sup> November and 18<sup>th</sup> and 19<sup>th</sup> December 2018 with regard to Annual Transfers of Dental Surgeons 2019.

- 1) List of Dental Surgeons recommended for Annual Transfers 2019 Stage II is published herewith. Please consider this as a notice of information, calling for appeals. Heads of Institutions are advised not to release these officers till the final transfer order is made.
- 2) These recommendations are based on criteria approved by Public Services Commission by the letter dated 11/07/2007.
- 3) Applications have been considered to transfers only from Dental Surgeons noted for transfers or those who requested to include their names in eligible list and applied for Stage II as per the even numbered and 19.12.2018 dated letter.
- 4) The stations marked with NEP (Not Enough Preferences) are assigned, at the discretion of transfer board due to not enough preferences in their applications. If a qualified Dental Surgeon wishes to apply for any of the stations falling vacant can do so before the closing date for consideration by the appeal board.

- 5) Dental Surgeons who wish to get any station marked with NEP can forward an appeal to any such station. Hence Dental Surgeons whose stations marked with NEP can forward an appeal with a list of preferences to get a permanent station from the list of vacancies or potentially vacant stations.
- 6) List of vacant stations is also attached for consideration. The stations fallen vacant after calling applications for Stage II also included. The officers who wish to apply for those positions also can forward appeals.
- 7) The officers not noted for transfers or eligible were marked as “regrets” when the requested stations were not available at their seniority positions. They need to appeal for vacant or potentially vacant stations, if they wish to get a transfer. Please note that their original application will not be taken in to consideration at appeal stage.
- 8) All appeals against any of these recommendations must be submitted online first and then send the hard copy duly signed to the below mentioned address.
- 9) Appeals will be considered only from those Dental Surgeons who applied for transfers as per DDG (Dental Services) D/DS/AT/136/2018 number and 03.08.2018 dated letter.
- 10) Appeals should be made to the Director General of Health Services on or before 05.02.2019 and send to reach the following address. Director (Dental Services), Ministry of Health, Nutrition and Indigenous Medicine, “Suwasiripaya”, 385, Rev. Baddegama Wimalawansa Thero Mawatha, Colombo 10.
- 11) Appeal board will pay due attention to such appeals and Secretary - Health, Nutrition and Indigenous Medicine will announce the final approved transfer list once the Public Services Commission approval is obtained.
- 12) All Heads of Institutions and consultants of Dental Services should inform any discrepancy about the recommended transfer list immediately to 0112 – 692846
