### **Annual Transfers of Specialist Grade Medical Officers – 2023 (Initial Draft)**

I would like to bring to your attention that the process of finalizing the transfer of Specialist Grade Medical Officers has been delayed due to an ongoing court case regarding retirement age. We are actively monitoring the progress of the court case.

Meanwhile, I would like to inform you that the Transfer Board has decided to publish all remaining vacancies after the 2022 annual transfer. The list of vacancies has been compiled, including those that have vacant due to retirements, vacating of posts, resignations, transfers to other sectors, and no-pay leave etc, up until 31<sup>st</sup> of December 2022. Additionally, the list includes newly eligible specialists approved by management committee of PGIM, letter issued on or prior to 31<sup>st</sup> December 2022.

This will invite interested parties to review the vacancies and submit their observations and comments, if any. We value your input and believe that it will contribute to the transparency and efficiency of the transfer process.

Therefore, I kindly request all concerned parties to send their observations and comments regarding the vacancies on or before 12th June 2023. These should be addressed to the Director of Tertiary Care Services at the Ministry of Health only via the email address [dtes.transfer@gmail.com](mailto:dtes.transfer@gmail.com)

Your active participation in this process is vital to ensure a fair transfer process of Specialist Grade Medical Officers. I appreciate your understanding and cooperation regarding this matter.

Your continued dedication and commitment to providing quality healthcare services to the people of Sri Lanka is highly appreciated.
